

LATEX-FREE

Now matches the elasticity of latex!

NEW IMPROVED FORMULA!

REP Band® Resistive Exercise Products

With increasing concern over latex allergies, REP Band® and REP Band® TUBING provide a latex-free alternative for resistive exercise products. REP Band resistive exercise products contain no latex, no messy powder and no unpleasant rubber odor. The new formulation of REP Band now matches the elasticity of latex. REP Band provides the characteristics and performance of latex with the safety and cleanliness of non-latex. REP Band resistive exercise products are color-coded in five resistance levels.

What you need to know about Latex Allergies

Latex allergies are a growing concern for patients and healthcare workers alike. While various reports indicate that up to 8% of the general population is allergic to latex, the numbers are much higher among workers who are exposed to latex in the healthcare (17%) and dental (40%) professions. In addition, up to 80% of spina bifida patients are latex sensitive. For those with sensitivity or allergies, exposure to products containing latex can result in skin rashes, hives, nasal, eye or sinus symptoms, asthma and in rare instances, shock. The National Institute of Safety and Health has issued a warning to all workers that allergic reactions may occur through exposure to products containing natural rubber latex and the FDA has recently mandated that all medical devices (including latex exercise bands) that contain latex must be labeled with warnings. Many leading medical facilities, including the Mayo Clinic, have banned use of latex products entirely.

REP Band® Products Selection Guide

		REP BAND®		REP BAND® TUBING	
Color	Weight	4" x 18 Ft	4" x 150 Ft	25 Ft Box	100 Ft Box
PEACH	Extra Light	#3000P	#3005P	#3100P	#3105P
ORANGE	Light	#3001O	#3006O	#3101O	#3106O
GREEN	Medium	#3002G	#3007G	#3102G	#3107G
BLUE	Heavy	#3003B	#3008B	#3103B	#3108B
PLUM	Extra Heavy	#3004PL	#3009PL	#3104PL	#3109PL

REP Band® Dispensing Tower

This acrylic Dispensing Tower holds five 50-yard rolls of REP Band®. The "total view" design allows therapists to see when rolls are running low so new stock can be ordered. Wall-mount the durable REP Band® Tower, or place it on a counter or table for easy access.

REP Band® Dispensing Tower (#RBT)

(REP Band not included)

REP Band® Exercise 3-Pack

An easy way to ensure patient compliance is with 4-foot pre-cut lengths of REP Band Resistive Exercise Band. Each pack includes a multilingual exercise guide.
